

**SAT, APRIL 8 – EAA106 PROGRAM – R/C JETS – EAA106 Hangars**

**Come see and learn about [R/C JETS !!](#)**

**Presented  
by:**

**new  
EAA106  
President  
[Brian Lloyd](#)**

**10 AM** at EAA106 Hangars – Lawrence Municipal Airport

**Details for LOCATION, DIRECTIONS, SCHEDULE – NEXT PAGE**

## **Chapter 106 PROGRAM LOCATION – EAA106 Chapter Hangars @ LWM:**

NOTE: There is no precise address for **GATE 4**, but this will get you near the gate:

**400 Holt Rd, No. Andover, MA**

SEE: <http://www.106.eaachapter.org/ourhangar.htm>

At that link you will find a PDF explaining how to find our hangars.  
and especially see info on page 2 about parking in the grass area.

Be sure to arrive a bit before the meeting and call the number on the sheet of paper taped to the yellow pylon for the meeting. Someone will come down & escort you in.

IF you have a gate ID, please remember to bring it to let yourself in.

If you see someone waiting, ask what they are there for and if it's our program, please welcome and escort the guest in with you.

**BRING:** A friend or prospective member to spark an interest  
in building a plane (or R/C) and/or flying !!!

**SCHEDULE:** **10:00 AM** Information by new EAA106 President Brian Lloyd.

**Then: R/C JETS !!** Powerpoint and Show & Tell ... by Brian Lloyd
