

FRI EVE, JAN 5 – EAA106 PROGRAM w/ FAA WINGS CREDIT

Beyond the Regulations and Flight Sims for Proficiency

**Stephen K Brown, FPM - FAASTeam Program
(or Flight Proficiency) Manager
Boston FSDO**

A review of the "Certified" simulation world and how pilots can go beyond that to be better pilots. How "non-certified" simulation creates more proficiency in pilots and learn about using today's technology to be a proficient pilot. An opportunity to see what is available.
