Student Scholarship Selection Committee for The ADVANCED EAA Air Academy  
The Greater Boston EAA Chapter 106

Dear Committee Members,

I am writing a recommendation for Joseph E Sanborn II, a Civil Air Patrol Cadet under my command, for the 2013 Aviation Camp Scholarship.

Joseph joined the Royal Charter Composite Squadron, of Hartford, Connecticut on 12 July, 2012. His attendance and participation has been outstanding. He immersed himself in Squadron training and military activities and volunteered for the Competition Color Guard.

I am a Certified Flight Instructor with 32 years of military service as a Tactical Fighter Pilot. As such, I see in Cadet Sanborn a fierce determination and dedication of a future aviator and leader. He took our coaching and encouragement to take the first step to fly by enrolling in the Private Pilot Ground School Course offered by Premier Aviation at Brainard Airport. He is well on his way having completed the second of the ten module program

Joseph has applied to the Air Force Academy for the Summer Seminar Program so he can experience the rigors and rewards of the Cadet routine. He has set his goal on attending the Air Force Academy when he graduates from high school.

It is refreshing to see a young man so motivated and focused on his future at an early age. The EAA Air Academy will provide Joseph a fundamental base of

aviation knowledge and experience that will stand by him whatever path he should pursue in aviation. I have no doubt Joseph Sanborn would be an outstanding asset to the United States Air Force and the United States of America or any other professional aviation field he may enter. He will be a superior mentor to other aspiring aviators and give him my highest recommendation.

If I can provide any further assistance, do not hesitate to contact me at:

Sincerely,
